If the financial statements are not audited, the Applicant must sign and date the first page of the financial statement and initial all other pages, attesting to their accuracy. If the financial statements do not specifically identify the line item(s) that constitute gross receipts, the Applicant must annotate which line item(s) constitute gross receipts.

Quarterly or monthly bank statements for the entity showing deposits from the relevant quarters. The Applicant must annotate, if it is not clear, which deposits listed on the bank statement constitute gross receipts (e.g., payments for purchases of goods and services) and which do not (e.g., capital infusions).

If the entity has not yet filed a tax return for 2020, the Applicant must fill out the return forms, compute the relevant gross receipts value (see Question 5), and sign and date the return, attesting that the values that enter into the gross receipts computation are the same values that will be filed on the entity's tax return.
